ABOUT US

Creating Interiors that truly matter to people

The Zoom Interior Decoration LLC. specializes in incorporating innovative products and concepts that are simply stunning and often outshine the industry standards. We come up with unique ideas for interior spaces of our clients and use various disciplines and elements of interior design by focusing on practical application and implications of our concepts.

We work with an eagle's eye towards achieving the ultimate contemporary style with special focus on architecture, furniture, interior lighting and other miscellaneous components of contemporary design. Anyone with a sense of style would realize what trends are coming up in interior designing when they take a tour of our finished projects. All our concepts and products are designed based on the underlying principles of sustainability. Our range of raw materials include recycled wood, ecofriendly boards, Low VOC and 'zero lead' finishing and painting materials.
